FARE LEGGERE TUTTI

# Strisce delle attività o Task Analysis

- Strutturano un ambiente facilitante a livello di comprensione: **come devo agire?**
- Aiutano nell'esecuzione di un **compito complesso**, che viene scandito in **singole unità**
- **Risponde a un'esigenza comunicativa!**
- A differenza delle agende visive risponde al **COME** e non al QUANDO

# Quali esigenze comunicative?

- **Comprensione,**
- Autonomia nelle routine quotidiane,
- **Nuovi apprendimenti**
- Memorizzazione verbale e di azione

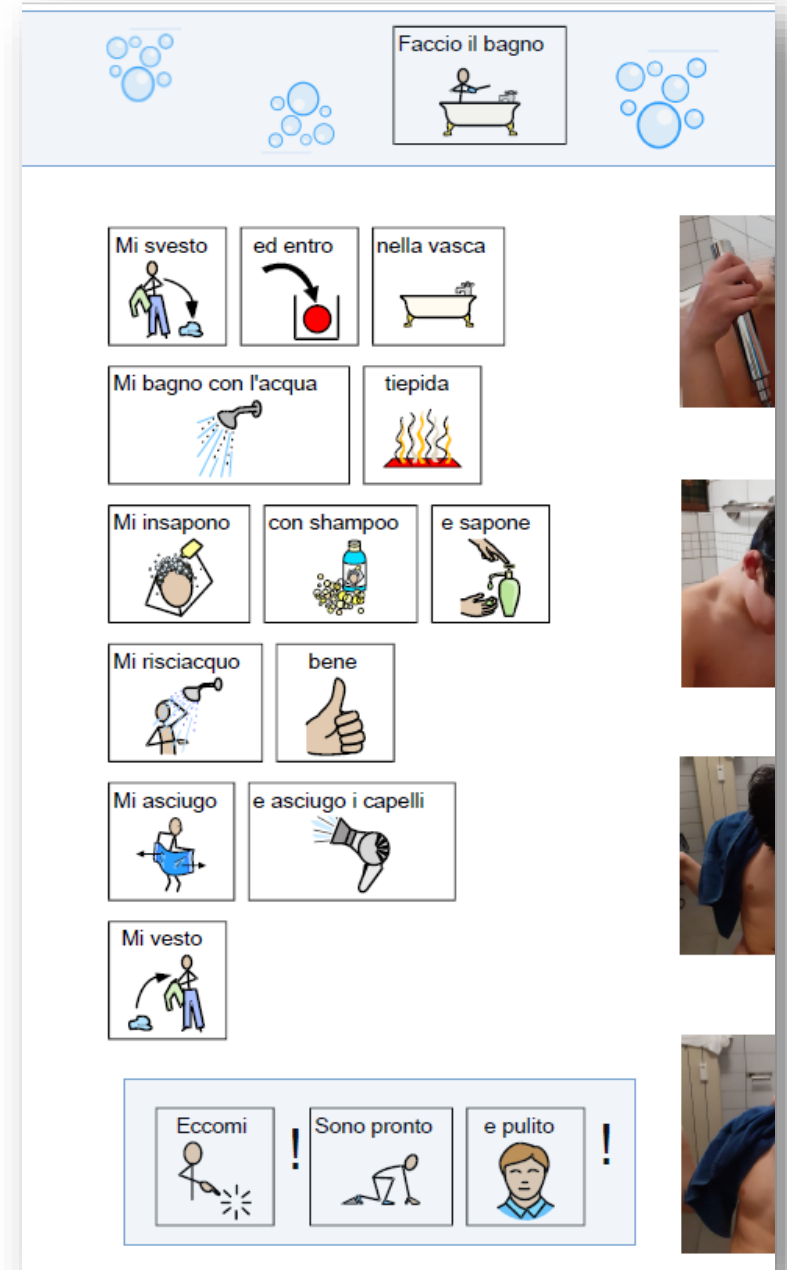

# Esempi...

- Vestirsi
- **Disfare lo zaino**
- Preparazione della colazione/merenda preferita
- Fare la spesa
- .....

# Come?

- Foto, immagini, simboli, parole...DIPENDE!
- In genere organizzata in senso orizzontale
- **Diversi livelli di complessità:**  
singolo simbolo o testo?
- **SELEZIONARE!**

# TASK ANALYSIS... everywhere!

Per preparare la pizza

- Mescolare farina, lievito e sale
- Aggiungere olio e acqua
- Impastare con le mani
- Formare una pagnotta
- Fare lievitare 2 - 4 ore. Ci vuole pazienza !
- Stendere con il mattarello
- Aggiungere il pomodoro
- Aggiungere la mozzarella a pezzetti. Poi cuocere in forno
